CHAPTER II

STANDARD WEIGHTS AND MEASURES

3. (1) For the purpose of verifying the correctness of commercial weights and measures and weighing ^{Working standards.} and measuring instruments used in transactions for trade or commerce, the State Government may cause to be prepared as many sets of authenticated standard weights and measures as they may deem necessary to be called the working standards, and special sets of working standards in relation to bullion and precious stones may also be prepared.

(2) The working standards shall be made of such material and according to such designs and specifications and shall be prepared by such agency and shall be stamped and authenticated by such person or authority and in such manner as may be prescribed.

(3) The working standards shall be kept at such places, in such custody and in such manner as may be prescribed.

(4) A working standard shall be verified with the secondary standard and marked by such persons, at such places, at such intervals and in such manner as may be prescribed:

(Secs. 4-6)

Provided that a special working standard in relation to bullion and precious stones shall be verified with the reference standard.

(5) A working standard which is not so verified and marked within the prescribed period shall not be deemed legal or be used for the purposes of this Act.

(6) A working standard which has become defective shall not be deemed legal or be used for the purposes of this Act, until it has been verified and marked in the prescribed manner.

Secondary
standards.

4. (1) For the purpose of verifying the correctness of the working standards, the State Government may cause to be prepared at the Mint as many sets of authenticated standard weights and measures as they may deem necessary to be called the secondary standards.

(2) The secondary standards shall be made of such material and according to such design and specifications as may be prescribed and shall be stamped and authenticated by such person or authority as the Central Government may direct.

(3) The secondary standards shall be kept at such places, in such custody and in such manner as may be prescribed.

(4) A secondary standard shall be verified with the reference standard at least once in every period of five years and shall be marked with the date of verification in the prescribed manner by such person or authority as the State Government may direct.

(5) A secondary standard which is not so verified and marked within the aforesaid period shall not be deemed legal and shall not be used for the purposes of this Act.

Reference
standards.

5. The reference standards shall be kept at such places, in such custody and in such manner as the State Government may direct.

Standard
weighing
and measu-
ring instru-
ments.

6. (1) For the purposes of verifying the correctness of commercial weights and measures and of weighing and measuring instruments used in transactions for trade or commerce, the State Government may cause to be prepared as many sets of weighing and measuring instruments as they may deem necessary.

(2) Such instruments shall be of such kind kept in such number and shall be verified and stamped in such manner as may be prescribed.

(Secs. 7-9)

(3) Such instruments shall be kept at all places where secondary standard or working standards are kept.

7. (1) Notwithstanding anything contained in any other law or any custom, usage or practice, no unit of mass or measure, other than the standard weights or measures shall be used in any transactions for trade or commerce or any dealing or contract or for any work to be done or goods to be sold or delivered in any area or in relation to any class of goods or undertakings in respect of which this Act has been brought into force.

Prohibition of use of weights and measures other than standard weights and measures.

(2) Any custom, usage, practice or method of whatever nature which permits in any trade or trader, seller or buyer to demand, to receive or cause to be demanded or received any quantity of article in excess of or less than the quantity fixed by the weight or measure by which the contract or dealing in respect of the said article has been made, shall be void.

(3) Any transaction, dealing or contract made or had, after the expiry of three months from the commencement of this Act shall, in so far as it contravenes the provisions of sub-section (1), be void.

8. (1) Notwithstanding anything contained in this Act, the State Government may by notification in the Gazette, direct that in any specified trade or class of trades no transaction, dealing or contract shall be made or had, except by weight only, or except by measure only.

Power to prescribe the use of weights only or measures only in certain cases.

(2) A notification issued under this section shall take effect in such area, with effect from such date and subject to such conditions, if any, as may be specified therein.

CHAPTER III

VERIFICATION AND STAMPING OF WEIGHTS AND MEASURES

9. Every weight or measure manufactured for use as a commercial weight or measure shall bear the description of the weight or measure which it purports, to be marked legible on it in such manner as may be prescribed.

Marking of denominations on commercial weights and measures.

(Secs. 10-15)

Prohibitions of sale of unstamped commercial weights and measures.

10. No commercial weight or measure or weighing or measuring instrument shall be sold or delivered unless it has been verified or re-verified in accordance with the rules and stamped in the prescribed manner by an Inspector with stamp of verification.

Prohibition of use of unstamped commercial weights or measures.

11. No weight or measure or weighing or measuring instruments shall be used in transactions in trade or commerce unless it has been verified or re-verified in accordance with the rules and stamped in the prescribed manner by an Inspector, with a stamp of verification.

Power of State Government to exempt.

12. Where the size of a commercial weight or measure renders it impracticable to have any denomination marked on it under the provisions of section 9 or to be stamped under the provisions of section 10 or section 11, the State Government may, by notification in the Gazette, exempt such weights or measures from being so stamped.

Prohibition of manufacture etc. of weights and measures without licence.

¹[13. No person in course of trade or business shall manufacture, repair or sell any commercial weight or measure or any weighing or measuring instrument unless he has obtained in the prescribed manner a licence in this behalf from the State Government or any Officer authorised by such Government.]

Marking of weights or measures on sealed containers.

14. No person shall sell, offer for sale, expose for sale or have in his possession for sale, any article contained in a sealed package or container unless such package or container bears thereon, or on a label securely attached thereto, a description of the net weight or measure of the article contained therein :

²[Provided that the provisions of this section shall not apply to any article which is not ordinarily sold by weight or measure.]

Appointment of Controller and other authorities and their powers and functions.

³[15. (1) The State Government may appoint a Controller, an Additional Controller and a Joint Controller of Weights and Measures for the State and as many Deputy Controllers, Assistant Controllers, Inspectors and Senior Inspectors of Weights and

1. Substituted by the Orissa Weights and Measures (Enforcement) (Amendment) Act, 1959 (Or. Act 13 of 1959), s. 2.

2. Added by *ibid*, s. 3.

3. Substituted by the Orissa Weights and Measures (Enforcement) (Amendment) Act, 1969 (Or. Act 7 of 1969), s. 3.

Measures as may be necessary for the purposes of this Act; and the authorities so appointed shall exercise the powers and discharge the duties conferred or imposed on them by or under this Act.

(2) The local jurisdiction of the Inspectors shall be such as the State Government may, by general or special order, specify in that behalf.

(3) Subject to the provisions of this Act the Additional Controller, the Joint Controller and all Deputy Controllers, Assistant Controllers and Inspectors shall be subject to the general superintendence and control of the Controller.

(4) The Controller, the Additional Controller, the Joint Controller, Deputy Controllers and Assistant Controllers may, in addition to the powers and duties conferred or imposed on them, exercise any power and discharge any duty conferred or imposed on the Inspectors.]

16. Every Inspector shall forthwith on his appointment enter into a recognizance with the State Government in such sum as may be prescribed for the due performance of the duties of his office, for the due payment at the time and in the manner required by the State Government of all moneys received by him under this Act and for the safety of the secondary and working standards, if any, and of the stamps and appliances for verification committed to his charge and for their due surrender immediately on his ceasing to hold office.

17. (1) Every Inspector shall, for the purpose of verification of weights and measures and weighing and measuring instruments, attend at such places and time within his jurisdiction as may be appointed in this behalf by the Controller.

(2) The Inspector shall verify every weight or measure or weighing or measuring instrument which is brought to him for the purpose of verification and if he finds such weight or measure or weighing or measuring instrument correct and in conformity with the Standards of Weights and Measures Act, 1956, and the rules made thereunder, he shall stamp the same with a stamp of verification in the prescribed manner.

Power to
inspect, etc.

18. (1) An Inspector may, within the area under his jurisdiction, inspect at all reasonable times, the weights, measures and weighing and measuring instruments which are used in transactions for trade or commerce or are in the possession of any person or are on any premises for such use and may verify every such weight or measure or weighing or measuring instrument with a secondary or working standard or weighing or measuring instrument prescribed for the purpose.

(2) For the purpose of verifying the correctness of any weight or measure used in any transaction, an Inspector may also verify the weight or measure of any article sold or delivered in the course of the transaction.

(3) An Inspector may, at all reasonable times, require any trade or any employee or agent of a trader to produce before him for inspection all weights, measures, weighing and measuring instruments which are used by him or are in his possession or are kept on any premises used for trade and all documents and records relating thereto and such trader, employee or agent shall comply with such requirements.

(4) An Inspector may seize and detain any weight or measure or weighing or measuring instrument regarding which an offence under this Act appears to have been committed or which appears to have been or which might be used in the commission of such an offence, and may also seize and detain any articles sold or delivered or caused to be sold or delivered by means of such weight or measure or weighing or measuring instrument together with any documents or records relating thereto.

(5) Where an Inspector has reasons to believe that a sealed package or container does not actually contain the net weight or measure of the article which it purports to contain, the Inspector may break open the sealed package or container and verify its contents and if, on such verification, the net weight or measure of the article is found to be correct, the Inspector shall re-seal the package or container where it is possible so to do without injury to the contents thereof and attach a certificate thereto stating the correct weight or measure of the article, but if, on the other hand, the net weight or measure of

article is found to be incorrect, the Inspector may seize and detain the package or container and the article contained therein.

(6) For the purpose of such inspection, an Inspector may, at all reasonable times, enter into any place where weights, measures or weighing or measuring instruments are used or kept for use in transactions for trade or commerce and inspect such weights and measures and weighing and measuring instruments.

19. Where it appears to the State Government desirable that an Inspector should be allowed in any area to adjust the weights or measures or weighing or measuring instruments, they may, if they think fit, authorise such Inspector to adjust weights and measures or such instruments accordingly.

Power of Inspector to adjust weights or measures.

[20. The Controller, the Additional Controller, the Joint Controller and every Deputy Controller, Assistant Controller and Inspector shall be deemed to be public servants within the meaning of section 21 of the Indian Penal Code.]

Controller, Inspector, etc to be public servants.

45 of 1860

21. (1) Every manufacturer, repairer or dealer in weights and measures or weighing or measuring instruments, and every person using them in transactions for trade or commerce shall maintain such records and accounts as may be prescribed and if required so to do by an Inspector, shall produce such records and accounts before him.

Manufacturers, etc., to maintain records and documents

(2) Notwithstanding anything contained in sub-section (1), if the State Government are of opinion that having regard to the nature of business carried on by any such manufacturer, repairer, or dealer, it is necessary so to do, they may, by order, exempt such person or class of persons from the operation of that sub-section.

22.² [(1) Any person aggrieved by any decision of an Inspector made under this Act may, within sixty days from the date of the decision, prefer an appeal to the Collector or to any officer appointed under this Act who is specially authorised in that behalf by the State Government :

Appeals.

1. Substituted by the Orissa Weights and Measures (Enforcement) (Amendment) Act, 1969 (Orissa. Act 7 of 1969), s. 4.

2. Substituted by *ibid.*, s. 5.

Provided that when such decision is made by any officer, other than an Inspector, in exercise of any power or duty conferred or imposed on an Inspector, the appeal shall lie to such authority as may be prescribed.]

(2) On receipt of an appeal under sub-section (1) the appellate officer shall, after giving the persons concerned a reasonable opportunity of being heard, decide the appeal and the decision of the appellate authority shall be final.

Levy of fees.

23. The State Government may charge such fees—

(a) for the grant of licences under section 13, for manufacture, repair or sale of commercial weights and measures and weighing and measuring instruments; and

(b) for the verification, marking, stamping and adjustment of commercial weights and measures and weighing and measuring instruments, as may be prescribed.

Validity of weights and measures duly stamped.

24. A weight or measure or weighing or measuring instrument, duly stamped by an Inspector under this Act, shall be a legal weight or measure or weighing or measuring instrument in all places in which this Act has come into force unless it is found to be false or defective and shall not be liable to be re-stamped by reason merely of the fact that it is used in any place other than that in which it was originally stamped.

CHAPTER IV

PENALTIES

Penalty for sale or delivery by weight or measure other than standard weight or measure.

25. Whoever, after the expiry of three months from the commencement of this section, sells or causes to be sold or delivers or causes to be delivered in the course of any transaction for trade or commerce any article by any denomination of weight or measure other than one of the standard weights or measures shall be punishable, for a first offence, with fine which may extend to two hundred rupees, and for a second or subsequent offence, with imprisonment for a period which may extend to one month, or with fine which may extend to five hundred rupees, or with both.

(Secs. 26-29)

26. Whoever sells or delivers any commercial weight or measure or any weighing or measuring instrument which has not been verified or re-verified or stamped in accordance with the provisions of this Act and the rules made thereunder shall be punishable with fine which may extend to five hundred rupees.

Penalty for sale of un-stamped commercial weights and measures.

27. Whoever uses in any transaction for trade or commerce, or has in his possession for such use, any commercial weight or measure or any weighing or measuring instrument which has not been verified or re-verified or stamped in accordance with the provisions of this Act and the rules made thereunder shall be punishable for a first offence, with fine which may extend to two hundred rupees, and for a second or subsequent offence, with imprisonment for a period which may extend to one month, or with fine which may extend to five hundred rupees, or with both.

Penalty for use of un-stamped commercial weights and measures.

Explanation I—When any such weight or measure or weighing or measuring instrument is found in the possession of any trader or any employee or agent of such trader, such trader, employee or agent shall be presumed, until the contrary is proved, to have had it in his possession for use in transactions for trade or commerce.

Explanation II—Where any weight or measure or weighing or measuring instrument is used or possessed in contravention of this section by any employee or agent of a trader on behalf of such a trader, such trader shall, unless he proves that the offence under this section was committed by his employee or agent without his knowledge or consent, be also deemed to be guilty of the offence.

28. If any person manufactures, repairs, or sells any commercial weight or measure or weighing or measuring instrument, without obtaining a licence as required by section 13, shall be punishable with imprisonment for a period which may extend to one month, or with fine which may extend to five hundred rupees, or with both.

Penalty for manufacture of weights, etc., without licence.

30. Whoever contravenes the provisions of section 14 shall be punishable with fine which may extend to three hundred rupees.

Penalty for fraudulent use of weights or measures, etc.

31. Whoever fraudulently uses any standard weight or measure or weighing or measuring instrument which he knows to be false shall be punishable with imprisonment for a period which may extend to one month or with fine which may extend to five hundred rupees or with both.

Penalty for being in possession of false weight or measure, etc.

32. Whoever is in possession of any commercial weight or measure or weighing or measuring instrument which he knows to be false, intending that the same may be fraudulently used, shall be punishable with imprisonment for a period which may extend to fifteen days or with fine, which may extend to two hundred rupees or with both.

Penalty for making or selling false weight or measure, etc.

33. Whoever makes, sells or disposes of or causes to be made, sold or disposed of any standard weight or measure or weighing or measuring instrument which he knows to be false, in order that the same may be used as true, or knowing that the same is likely to be used as true, shall be punishable with imprisonment for a period which may extend to one month, or with fine which may extend to five hundred rupees or with both.

Penalty for giving short weight or measure.

34. Whoever in selling any article by weight or measure, delivers or causes to be delivered to the purchaser less than what is purported to be sold shall, if the deficiency exceeds the prescribed limit of error, be punishable with fine which may extend to three hundred rupees.

Penalty for forging, etc. of weights or measures.

35. (1) Whoever forges or counterfeits any stamp used under this Act for the stamping of any standard weight or measure or weighing or measuring instrument or possesses any such counterfeit stamp, or removes a stamp from any standard weight or measure or weighing or measuring instrument and inserts the same into another weight or measure or weighing or measuring instrument or wilfully increases or diminishes a weight or measure so stamped shall be punishable with imprisonment for a period which may extend to one month, or with fine which may extend to five hundred rupees or with both.

(Secs. 36-38)

(2) Whoever knowingly uses, sells, disposes of or exposes for sale any weight or measure or weighing or measuring instrument with such forged or counterfeit stamp thereon, or a weight or a measure so increased or diminished shall be punishable with imprisonment for a period which may extend to one month or with fine which may extend to five hundred rupees or with both.

36. Whoever—

(a) refuses or neglects to produce for inspection under section 17, any weight or measure or weighing or measuring instrument or any document or record relating thereto in his possession or on his premises ; or

Penalty for neglect or refusal to produce weight or measure etc., for inspection.

(b) refuses to permit an Inspector to inspect and verify any such weight, measure, instrument, document or record ; or

(c) obstructs the entry of an Inspector under section 17 ; or

(d) otherwise obstructs or hinders an Inspector in the performance of his duties under this Act, shall be punishable with fine which may extend to five hundred rupees.

37. If an Inspector knowingly stamps a weight or measure or weighing or measuring instrument in contravention of the provisions of this Act or of the rules made thereunder, he shall be punishable with imprisonment for a period which may extend to three months, or with fine which may extend to seven hundred and fifty rupees or with both.

Penalty for breach of duty by Inspector.

CHAPTER V

MISCELLANEOUS

38. No suit, prosecution or other legal proceeding shall lie against [any officer] or any other person appointed under this Act in respect of anything which is in good faith done or intended to be done in pursuance of this Act or rules made thereunder.

Protection of action taken in good faith.
