[No. A-5-14-87-ST-V (21), dated 28.5.1987, Published in M.P.Rajpatra, (Asadharan), dated 1.6.1987, p.1263]

In exercise of the powers conferred by S.11(1), the State Government has notified five rupees per ton as the rate of cess for the purpose of sub-section (1).

COMMENTARY

1. Cess levied under the section is a tax and not fee.- In order that an impost to be a fee, it must have some relation to the services rendered and that though such relation

need not be direct, a mere casual relation may be enough. As there is not even any casual relation whatsoever between the amount of cess to be recovered and any services to be rendered for that purpose, the cess is not a fees. It is a tax. M.P. *Lime Manufactures Assoc. v. State of M.P.*, AIR 1989 MP 264=1989 MPLJ 561=1989 JLJ 605 (FB).

2. Impost is ultra vires.- [1] As the character of impost under s.11 is that though in form it appears to be a tax on land, in substance, it is a tax on minerals, produced therefrom and the same is also not a tax imposed on mineral right of every holder of mining lease, the same is not covered either by Entry 49 or Entry 50 of List II of Schedule VII of the Constitution, the impost is ultra vires. 12. 1[xxx]

PART V Miscellaneous

13. Power to make rules. -(1) The State Government may, after previous publication, make rules to carry out the purposes of this Act.

(2) All rules made under this section shall laid on the Table of the Legislative Assembly.

14. Power to remove difficulty.- If any difficulty arises in giving effect to the provisions of this Act, the State Government may, by order, not inconsistent with the provision of this Act revove the difficulty.
