Repeal
of Ordinance 8
of 1999.

G. BHAVANI PRASAD,
Secretary to Government,
Legislative Affairs & Justice,
Law Department.

STATEMENT OF OBJECTS AND REASONS

The Government of India through Technology Mission on Oil Seeds and Pulses, have been promoting the large scale cultivation of Oil Palm Crop for attaining self sufficiency in edible oils. Andhra Pradesh has done pioneering work for Oil Palm Development in the State. This crop was taken up as a project sponsored by Government of India.

Contrary to earlier concept of import substitution, Government of India started allowing import of huge quantities of edible oils under O.G.L. The duty was also reduced. This has seriously hampered the interests of Oil Palm as well as other oil seed growers.

The Chief Minister of Andhra Pradesh addressed Government of India pointing out the crisis faced by the Oil Palm growers of the State. The Government of India has indicated that early help may perhaps be extended to the Oil Palm farmers of the State only through market intervention operations. This envisages sharing of loss between Government of India and Government of Andhra Pradesh on 50:50 basis and the proposal for Market Intervention Scheme with 50% sharing has been approved by the Government.

Therefore, in order to implement the Market Intervention Scheme and to designate agencies to buy and sell Oil Palm F.F.Bs in areas so declared as factory zones, it has been decided to amend the provisions of the Andhra Pradesh Oil Palm (Regulation of Production and Processing) Act, 1993, suitably.

As the Legislative Assembly of the State was not then in Session having been prorogued and as it has been decided to give effect to the above decision immediately, the Andhra Pradesh Oil Palm (Regulation of Production and Processing) (Amendment) Ordinance, 1999 (Andhra Pradesh Ordinance 8 of 1999) has been promulgated by the Governor on the 24th December, 1999 and published on 27th December, 1999.

This Bill seeks to repeal the said Ordinance.

V. SOBHANADREESWARA RAO,
Minister for Agriculture and Horticulture.
